

# DSC POWERSERIES CONTROL PANELS v4.2

DSC is a recognized leader in the design and manufacturing of reliable, feature-rich intrusion alarm control panels that easily integrate with an array of alarm communicators, verification modules and cabling solutions. From their clean unobtrusive look to their advanced technologies, DSC panels are a favorite of both users and installers.

ENHANCE YOUR CUSTOMERS' EXPERIENCE WITH THE NEW, EASY-TO-INSTALL POWERSERIES™ V4.2 FROM DSC

New PowerSeries v4.2 control panels from DSC make installation easy, simple and fast. They feature template programming for new users and a programming interface that experts will be familiar with. This product also features independent end-of-line (EOL) configuration that makes installation faster than ever before. Each zone can be independently matched to a device's EOL configuration, reducing the time required to get a common EOL configuration across all devices.

PowerSeries v4.2 gives the user more control, thereby enhancing the functional experience. The user can Arm Away, Arm Stay or Disarm all partitions with just one operation.

PowerSeries v4.2 has been designed with commercial applications in mind. Featuring additional user codes, global arming and disarming, and scheduled auto arming and disarming, DSC control panels are the preferred choice of installers.
